Floral Wire
Craft Glue

1. Wrap entire wreath with spring ribbon. Use craft glue to secure the ends.
2. Wire two sets of floral picks (three picks in each set) together into two bouquets. Wire these two bouquets together at their stems (flowers facing opposite directions) to create a floral spray.
3. Attach the floral spray to the wreath with floral wire.
4. Tie a simple bow and attach to the wreath with floral wire.
5. Attach a piece of wire at the top of the wreath for a hanger.
6. Hang and enjoy!

Build a Spring Tabletop Floral Centerpiece

Dollar Tree Supplies: 2 Small Grapevine Wreaths
1 Roll of Spring Floral Wire
9 Spring Floral Picks
1 Package of Floral Foam
Wire Cutters
Floral Wire
Craft Glue

1. Attach the two small wreaths together with floral wire.
2. Cut 8 pieces of 8" spring floral ribbon and wrap around the wreaths. Secure ends with craft glue.
3. Put the four individual blocks of floral foam in the center of the wreaths. The pieces should be arranged so that they fit snugly within the wreath and do not fall through the hole.
4. Arrange the spring floral picks in the foam to create pretty designs.
5. Set on the table and enjoy!
