### Commitment to Eliminate Priority Chemicals

Dollar Tree is committed to the elimination of chemicals of high concern from our products by 2020. In December 2016 and January 2017, we sent letters to each of our suppliers communicating our commitment. We expect our suppliers to reduce and eliminate the use of all priority chemicals from our products.

#### List of priority chemicals:

1. Lead in children's products
2. BPA in children's products
3. Cadmium and Cadmium compounds
4. 1-Bromopropane
5. 1,4-Dioxane
6. Cyclic Aliphatic Bromides Cluster of flame retardants (HBCD)
7. Octamethylcyclotetrasiloxane (D4)
8. Tetrachloroethylene (PERC)
9. Asbestos in children's products
10. Formaldehyde
11. Toluene
12. Diethyl phthalate
13. Nonylphenol ethoxylates
14. Butylparaben
15. Dibutyl phthalate
16. Propylparaben
17. Trichloroethylene
